

AMENDMENTS TO THE SPECIFICATION

(AMENDMENT IN RESPONSE TO FIRST OFFICE ACTION DATED APRIL 6, 2004.

Serial Number 10/717,165 filed November 11, 2003)

Substitute the following revised paragraph for the original paragraph 4 on page 11  
of the Specification:

Figure 4 presents a partial cross sectional view, as taken through a vertical centerline plane of the vehicle 30 given in Figure 1, that shows positioning of the various elements when the instant invention retractable cab height bed cover 31 is retracted forward. Note that the rear hinged portion [[36]] 35 is retracted upward here so that full size and height items may be placed all the way to the aft end of the cargo bed 44. Note also the rear window 45 that allows full view aft by a driver of the vehicle.
